

Aven Inc. – RoHS Compliance Declaration

Directive 2011/65/EU & (EU) 2015/863

Company: Aven Inc.

Document Type: General RoHS Compliance Statement

Scope: All Aven products unless otherwise specifically identified

1. Overview

Aven Inc. is committed to ensuring that its products meet all applicable environmental, safety, and material-restriction requirements. This declaration confirms Aven's compliance with the **Restriction of Hazardous Substances (RoHS) Directive 2011/65/EU**, as amended by **Directive (EU) 2015/863**, commonly referred to as **RoHS 3**.

2. Company Compliance Statement

Based on supplier material declarations, internal reviews, and ongoing compliance monitoring:

- **Aven Inc. products comply with the substance restrictions defined in RoHS 2011/65/EU and (EU) 2015/863.**
- **Restricted substances are not present above the allowable thresholds of 0.1% (1000 ppm) or 0.01% (100 ppm) as applicable.**
- **If any Aven product requires a RoHS exemption or contains restricted substances above allowable limits, it will be clearly identified and documented.**

This declaration applies to all Aven products **unless a specific item is explicitly noted as non-compliant or exempt under the directive.**

3. Restricted Substances Covered

Aven Inc. confirms compliance with limits for the following substances:

- Lead (Pb)
- Mercury (Hg)
- Cadmium (Cd)
- Hexavalent Chromium (Cr⁶⁺)

- Polybrominated Biphenyls (PBB)
- Polybrominated Diphenyl Ethers (PBDE)
- Bis(2-ethylhexyl) phthalate (DEHP)
- Benzyl butyl phthalate (BBP)
- Dibutyl phthalate (DBP)
- Diisobutyl phthalate (DIBP)

4. Basis of Declaration

This compliance determination is supported by:

- Supplier material declarations and certificates
- Review of Bills of Materials and component specifications
- Periodic verification against the current RoHS restricted substance list
- Ongoing monitoring of regulatory updates and supplier changes

5. Authorized Company Statement

This declaration is issued in good faith and reflects Aven Inc.'s current understanding of its obligations under the RoHS Directive. Updated declarations will be provided if product materials or regulatory requirements change.
